

Hi Pony Community,

In lieu of having a PTA Meeting this month, I thought a flier would be faster, easier, and more convenient. I hope you agree and take a moment to read the following three points of interest:

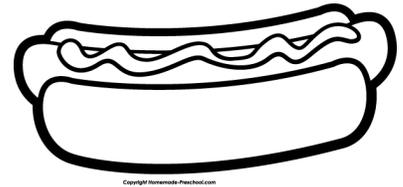

Point One: The school year ends on the 16th of June, so two important notes to keep in mind. The first is for our teachers. For those of you that have a balance in your classroom allotment and would like to be reimbursed for purchased supplies, please submit a reimbursement request form to me by the last day of school. The second important note is that on the last of school, PTA will provide all students with a BBQ hot-dog lunch beginning at 11:30 A.M., following Pony's Play Day activities. In order to make Play Day and the lunch a success, we are asking for volunteers. We will need volunteers to help hand out Otter Pops and bottled waters during Play Day activities and volunteers to prepare and serve the hot-dog lunches. So, if you have not had the opportunity this year to volunteer, now is your chance. Please complete the information at the bottom of this flier and have your student return it to their teacher.

Point Two: I would like to thank our entire Pony Community for ensuring our students had another great experience this school year. I would further like to give individual huh-rahs to Matina Bragas for keeping the IRS off our backs; Rebecca Phillips for memorizing our actions; Erin, my wife and best friend, for coordinating the fundraisers and helping to print and distribute the newsletters and all the various PTA fliers; Audrey Hemesath for putting together the student assemblies, along with her unwavering support and coaching of "Running For Rhett"; Rebecca Ramirez for her diligence as Editor-in-Chief of our newsletter; David Kim for throwing up letters on the marquee; and Jaime Szeto for cutting, pasting and submitting the hundreds of Box Tops For Education. Lastly, a thank

you and a big welcome to Raleigh Klein, our PTA Board Secretary for next year. Point Three: A final thought to close out this year's PTA, which I liken to my days at sea.

We started navigating this school year's adventure with a great crew and good weather. The charts were plotted and sailing was smooth. Then we ran into some rough seas and were driven slightly off course. But the crew came together. We picked ourselves up and got back on course. And like the waters that have flowed beneath the keel, I hope the feelings experienced during that time have as well. I do know that we are currently tacking on a close haul and quickly coming to the end of this year's adventure. After dropping the hook and posting the watch, we'll have just a couple of months to patch the sails, shine the bright work and prepare the crew and stores for our next adventure. I hope you all are looking forward to it.

Rod Fong,  
PTA President

Yes, I can help with Play Day on June 16, 2016.

\_\_\_\_\_ I can help distribute water and offer pops from 9:30am to 11:30am.

\_\_\_\_\_ I can help prepare and serve lunch from 11:00am to 1:00pm.

Name \_\_\_\_\_

Teacher \_\_\_\_\_

Email/Phone \_\_\_\_\_
